

## FULL YEAR IN-PERSON PROGRAM 2022/2023

The full year Faith Formation program will begin on Tuesday, October 4, 2022 and will end Tuesday, April 4, 2023. Due to COVID-19 and to ensure the safety of our students, families, and volunteers, we will follow all CDC Guidelines regarding masks and social distancing as we continue to assist our families with the religious education of your children. Students entering First Grade through Eighth Grade are eligible to attend the program provided all previous year requirements have been fulfilled. All outstanding balances are to be paid in full prior to registration.

Please note that we have every intention to meet weekly; however, if there is a rise in Covid cases, for the safety of the children, volunteers, and families, we would have to switch to remote learning. Again, this is not our intention or plan, but we must be forthcoming as the future remains unpredictable.
